To: All EMS Agencies, Emergency Communications Centers, County EMS Coordinators, and EMS Providers in the Hudson Valley Region

Re: ***UPDATED MEMORANDUM***
Orange Regional Medical Center's new facility

Orange Regional Medical Center will open their new facility at 5 AM on August 5th, 2011. Patients located at ORMC's Arden Hill and Horton Campuses will be moved to the new facility throughout the day. All three emergency departments will be fully staffed and ready to accept patients during the move. Although it is preferred patients be transported to the new facility's emergency department, critical or unstable patients may be transported to any of the three emergency departments; whichever is closest.

Once the move is complete, the Arden Hill and Horton Campuses will be closed and will no longer accept patients.

*****Due to a system incompatibility, the disposition code for the new ORMC facility has been changed. To resolve the issue, the old Horton Campus disposition code has been re-issued to the new facility. As of 5AM on August 5th, the new facility disposition code will be 354. *****
